# Exhibition and contest on photography of Leishmaniasis

# Rules and terms of reference

#### **Purpose**

To present leishmaniasis to the civil society by organizing a photo exhibition with selected works of the leishmania community present at WL6.

To compile the exhibition photographs in a book as part of WL6 outputs.

#### 1-Participants

All congress attendees can participate in the exhibition.

#### 2-Subject

Images covering all the different aspects of leishmaniasis can take part in this activity. From microscopy, pathology, entomology to clinical images, leishmania environment and public health and control program activities.

# **3-Participation requirements**

Admission of photographs:

- a) Photographs should be original and unpublished. Photographs for which intellectual property rights do not belong wholly and without restrictions to the participant in the contest will not be admitted. Participants warrant that they are the authors of the photographs submitted and fully responsible for their content.
- b) Photographs in which recognizable people appear need to be authorized by these people. The organization reserves the right to ask these people for a letter signed by them and in which they allow the use of these images.
- c) No photomontages will be admitted.

### Technical requirements:

a) Maximum load: 2MB

b) Format: .jpg

c) Resolution: 300ppp

d) Size: minimum 20 cm on its largest side

# **4-Intellectual property rights**

Authors of the selected photographs, by submitting their photographs to this contest will cede the organization the rights of reproduction, communication, distribution, transformation and public disclosure, free of charge and during a period of 2 months, for the exhibition and

publication of a book compiling all selected photos.

#### 5-Submissions

- a) Photographs will be submitted using an email account created to this effect.
- b) Each participant may submit a maximum of 5 photographs.
- c) Each photograph should include title, name of photographer, date (month, year) the picture was taken and country where it was taken.
- d) The text of the email should include a personal statement on cession of the author's intellectual property rights to the WL6 organization for a period of 2 months for the exhibition and production of the book.
- e) Where images include recognizable people, the text of the email should include a personal statement confirming that the author received the consent of the people captured to take the photo.

#### 6-Deadline

Last day for submissions is April 9th

# 7- Selection of photographs

An ad hoc committee will select a maximum of 100 photographs.

#### 8-Exhibition

The selected photographs will be exhibited at a public exhibition hall in Toledo from May 17- $20^{th}$ .

# 9-Winners of the competition

There will be a winner of the competition and two second awardees. Congress attendees are invited to vote for one photograph. The winner and second awardees will be announced during the closing ceremony where they will receive a certificate.

Please send your 5 best photos to wl6photos@dndi.org before April 9th
